

Mid-Atlantic Nursery Trade Show

09 - 11 January 2013

Baltimore Convention Center

Mid Atlantic Nursery Trade Show was a three days expo held in the region of Baltimore, Maryland. The great symposia was held at the Baltimore Convention Center. An outstanding business destination for growing network and connections among dealers and traders joining this exclusive event. Mid Atlantic Nursery Trade Show is a unique expo that focuses on the premium increase of productivity of green vegetation specifically the plants grown in pots and miniature gardening.

Our MD Company Pump & Power was represented in the MANTS Show and it was a huge success! Our booth displayed our equipment well and we experienced a great deal of interest from the visitors. We were able to make several contacts from this and quite a few sales were made.
